

DOHI Starts Urgent Action Campaign

 **Send a Christmas Card – Save Asia Bibi's Life!**

Door of Hope International-DOHI launches a worldwide Christmas campaign to send **Cards of Hope** to a Christian mother of five, sentenced to death. Frightened and alone, Asia Bibi is sinking into deep depression. She anguishes over her fate and her children's. Pakistani Islamists want to kill her. Her tears never stop.

"She is very weak and has stopped eating. She barely speaks anymore" says Door of Hope's ministry partner after his recent visit with Asia Bibi in Sheikhpura District Jail.

Asia Bibi is the first woman to be sentenced to death, accused of blasphemy against the prophet Mohamed in Pakistan. Her true crime is, loving Christ. To read Asia Bibi's full story, please visit [Moved to compassion](#), Paul H. Popov, President of Door of Hope International has launched this Christmas campaign **Cards of Hope** to Asia Bibi.

"We need Christians to encourage Asia Bibi or she will die" says Paul H. Popov "Asia Bibi's faith, hope and emotional state get weaker each day." Please write her today! It only takes a few minutes. Door of Hope International, , is a Christian mission, founded by Pastor Haralan Popov who was imprisoned and tortured for his faith for over 13 years. He is best remembered as the *Voice of the Suffering Church*.

His son, Paul H. Popov, has been mobilizing an awareness of the suffering brothers and sisters in Christ around the world, since 1952. More than ever before, DOHI needs Christians to be involved in a practical way. The ***Cards of Hope*** campaign is a practical way people can be involved. A few words of encouragement on a card to Asia Bibi can give her the strength she needs: Words like, ***DO NOT BE DISCOURAGED...YOU ARE NOT FORGOTTEN...*** can be like a light in the darkness. DOHI will FedEx the ***Cards of Hope*** to our ministry partner in Pakistan who will personally deliver them to Asia Bibi in Sheikhpura jail.

Please address your Christmas ***Cards of Hope*** to:
