

Don't Buy the Rumors: HGTV Sweethearts Chip and Joanna Gaines Are Not Headed for Divorce

It's hard to trace where rumors of divorce between Chip and Joanna Gaines began, but the end to the online chatter came in a tweet from one half of the home rehabilitation duo.

In a tweet Friday, Chip wrote, "Won't ever happen ... you can take that to the bank!" He added the hashtag "love of my life."

Chip's tweet came in response to a fan who was obviously annoyed by the rumors.

Chip and Joanna are a popular couple. They have hosted their hit HGTV show *Fixer Upper* since 2013. Both are outspoken Christians.

They share their love story in the book *The Magnolia Story*.
