

Donald Trump Won't Let Up on 'Lying Crooked Hillary'

Everyone is still talking about Republican presidential nominee-in-waiting Donald Trump's speech Wednesday in which he completely unloaded on "Lying Crooked Hillary"—his Democratic counterpart, Hillary Clinton—over her past dealings and policies.

You can see a video of that speech below. But, Trump has refused to let up on his likely challenger in the November general election.

"Hillary Clinton is a world-class liar," he said Thursday upon unveiling his campaign's newest website. "This much is a fact. But watching the mainstream media, you would never know it.

"They simply refuse to call her on her lies. They'd rather spend their time and energy attacking me. It's great for their ratings and their bottom line. We know we cannot count on the media to spread the very important message that Hillary Clinton is a liar and can't be trusted.

"And that's why we've decided to take that message directly to the American people."

Trump said his "dirt" on Clinton will be published at [the Donald Trump website](#), where his campaign is also releasing a series of videos. He said each video will focus on one of her "biggest, phoniest fibs and fabrications."

The first video, simply titled "Benghazi," can be seen by [clicking here](#).
