

Dr. Michael Brown: Is 666 Hidden in the Disney Logo?

Disney's last few weeks have been rough.

Fans on both sides of the aisle have found fault with the mega-company: Conservatives for Disney's inclusion of a same-sex kiss in a cartoon and an openly gay character in *Beauty and the Beast*, liberals for CEO Bob Iger's membership on Donald Trump's business advisory board.

But is Disney truly satanic? Do the company have "666" in its logo?
