

Dr. Michael Brown Tackles Pandora's Box of Gender Confusion

Cultural commentator Dr. Michael Brown is not afraid of the truth—or of exposing the deep confusion of the enemy.

When it comes to the Pandora's box of gender confusion, Brown has a few points.

"I have compassion on people who struggle with gender identity," he says. "But if perception is reality, then the sky is the limit."

Watch the video to see the rest of his arguments.
