

WATCH: Duck Dynasty's Phil Robertson on Why America Needs Jesus

Duck Commander patriarch Phil Robertson took to the pulpit to tell stories of how Christ can radically change someone's life.

From cursing men who became pastors to the practicalities of placing the Ten Commandments in court houses, Robertson presented the simplicity of the gospel.

"You don't have to tell me your sins. I already know about them," Robertson says. "I have plenty myself. I have my past, you have yours."

Watch his sermon to see how he intertwines humor and heart while sharing his faith.
