

‘Duck Dynasty’s’ Sadie Robertson Shares Prayer for Her Future Husband

Sadie Robertson was cleaning her house when she found a piece of her heart on paper.

Almost two years ago, the Duck Dynasty star penned a prayer for her future husband, pouring out her heart before God. Now, she’s encouraging other women to do the same:

“I want to encourage every single girl on the planet to write down a prayer for your future husband,” Robertson posted on Instagram with a picture of her prayer. “Pray for him as if you already know him. He probably needs your prayers!

“He is going through something right now just like you are so pray him through it! pray for his confidence! pray for him to have strength! pray for him to be a leader, and not just go with the crowd! pray for him to resist the devil, and the temptations of man! pray for his protection! pray for him to feel Gods love, and the presence of God around him. prayer is a powerful thing! start doing it now, and see what amazing things the Lord will do in his timing. He has already shown me so much by this. prayer is POWERFUL.”

Fans are praising Robertson’s courage for sharing her heart.

“(J)ust wanted to say thank you for your devotion to God! You inspire so many people with who you are in Christ, including me. ☐ I can’t wait to see where you’ll go,” writes one commenter.

Another writes: “I always try and pray for him but I’ve never thought to write it down!”
