

Duggar Daughter's Baby Belly—Is It Twins?

Jessa Duggar Seewald is over the moon with her bouncing belly, sparking speculation she may be carrying twins.

The daughter of Jim Bob and Michelle Duggar posted a poll recently, asking fans to sound off if her bundle of joy is a boy or girl ... or both?

In a video posted to Instagram, though, she offers a hint.

“So weird and yet amazing to see my baby move like this!” Seewald writes. “Finally managed to capture one of those super active moments! Lol! I know, I’m a bit obsessed...”
