

Empowerment Specialist and Best-Selling Author Cindy Trimm Releases Latest Book

Since the release of her best-selling book *Commanding Your Morning* (Charisma House, 2007) Cindy Trimm has continued to write on how to build the bridge between who you are now and who you want to be. In her newest book, *Hello, Tomorrow!* (Sept. 4, 2018), Trimm shows how to use the power of vision to craft a brighter tomorrow.

Hello, Tomorrow! shows how having a vision is not just a self-help tool. It's a spiritual discipline. Trimm writes on how God gives you vision, and it's not based on your education, leadership style, or personality type.

"Ultimately it is God who puts a vision in your heart, just as He does His desires. ... Visions are spiritual realities that point man to the existence of God," Trimm says.

Hello, Tomorrow! is about setting in motion God's plan for your life. Trimm challenges readers to consider their thoughts and ideas spiritual entities—nonmaterial, intangible and transcendent. While not visible to the natural eye, ideas are seeds with potential to flourish.

"A vision that you can see with your spiritual eyes can be as powerful as what you see with your natural eyes," Trimm says.

Hello, Tomorrow! arms you with declarations to activate God's power in your life. Trimm dares you to not just see your tomorrow but also create it.
