"Tell a lie, tell a lie, tell a lie," Bakker says. "And people will believe it."

Eschatology expert and prolific author Joel Richardson says it all has to do with the age we're now in, which is reminiscent of Psalm 2:2-3.

"When you look at the Hollywood media, talking about, actually presenting the idea that this is a positive thing to behead the president, and that's just Hollywood," Richardson says.

"You have a culture in the United States that is not rational," he continues.
