

Erick Erickson: Pagan Religion Pushing America to the Brink

A great partisan divide is on full display this summer, playing out before our eyes on various screens from smartphones to our living rooms.

Syndicated radio host Erick Erickson believes no political party can solve the nation's underlying issues. He maintains our country suffers from a spiritual problem, where the truth and values are routinely ignored.

One of Erickson's key moves came when he took over for friend and talk radio host Rush Limbaugh in Atlanta after the conservative powerhouse passed away in 2021.

A member of the Presbyterian Church in America, Erickson routinely discusses matters of his Christian faith with his audience. He is currently pursuing a PhD in theology from Southeastern Baptist Theological Seminary.

In his book, Erickson examines cultural and political changes

in a postmodern United States. He argues that a new pagan religion with roots in Gnosticism, a second-century religious and political belief system, is pushing the country to the edge of destruction. Still, he believes there is hope for America if it returns to its Judeo-Christian roots.
