

Even Atheists Acknowledge the Mainstream Media's Islam Bias

Is there a double standard in the mainstream media and among many on the Left when it comes to criticizing Christianity and Islam? One man says yes.

Phil Zuckerman is a professor of Sociology and Secular Studies at Pitzer College and author of the book, *The Secular Life*.

He recently told an audience at Georgetown University that he believes that many in the press feel that it is OK to criticize, mock and make fun of Christianity, but said Islam gets a free pass.
