

Everything Is Different

 By Shane & Shane | Inpop Records

Shane & Shane's acoustic music and unmatched harmony put them in a class all their own. On their newest album, *Everything Is Different*, Shane Barnard and Shane Everett offer another set of biblically based songs that will help believers celebrate and worship God for who He is and what He's done.

Title track and opener, "Everything Is Different," is a song of praise: "You made a way when there was now way / You cover heaviness with garments of praise / You wrote a song and You sing it over me / I feel a dead heart beating out / This revelation makes me want to shout / That Jesus has been sent / Everything is different." This upbeat, cheerful track is sure to become a fan favorite and congregational favorite.

Another album highlight is "Worthy of Affection," with a chorus that crescendos to praise Him. The Shanes' vocals are impeccable and their passion will stir believers to worship. The fast-paced "My Hope Is Built" is a modern twist on a classic hymn, declaring that we will stand on Christ, the solid rock.

Shane & Shane's albums are musical devotionals. Their catchy melodies and biblically based lyrics will continually replay in listeners' minds. The repetition of scriptural truths will build believers' faith and encourage them in their relationship with the Lord. The songs on *Everything Is Different* offer a sense of hope and joy and is likely the duo's best album to date—but fans probably say that about each new Shane & Shane release.
