

Ex-Lesbian Gives the Church Strong Advice on Reaching LGBTs

What is the most important thing church leaders can do to help people in their congregations who struggle with same-sex attraction?

It's a question the Christian community has batted back and forth, trying to establish compassion without compromise.

For former lesbian Jackie Hill Perry, her church leadership was critical in her turning her life over to God.

"I'm able to crawl to Jesus and know that only He can make me whole," Perry says.

So how should believers approach the subject? Watch the video to see.
