

Experience Breakthrough in Your Life Through Judicial Decree

Prophetic voice and TV host Katie Souza shared a powerful encounter on *Live Your Best Life with Liz Wright* on Charisma Podcast Network about what we are facing right now in the body of Christ. Many have been facing demonic attacks more intense than ever, and God is saying, "This far and no further!" Regardless of what the enemy has tried to bring against you, this is a time of restoration and rebuilding.

Katie had a profound vision which follows Ezra 4, 5 and 6, and it will activate you to reclaim your victory and experience breakthrough. She shares important revelation on the power of confession. When we confess our sins and are cleansed of the accusations against us, we receive the judicial authority to rebuild. We can make a request to come into the heavenly courts and search the archives for our promises and the truth Jesus has spoken over our lives. We can decree these things in the authority of the King and declare that the enemy is no longer allowed to interfere with the work of rebuilding the temple!

You have the right to demand payment out of the enemy's treasury for everything needed to rebuild. Even more than that, you have the legal right to seven times what he stole from you! Katie shares that without fail, all that's needed for restoration must be given to you each day. You can freely receive heavenly resources today because heaven is moving in miracle-working power. God is victorious; therefore, so are you! Be confident in the power of the blood of Jesus. The enemy might try to use your past against you, but you are covered by His blood and now walk in His authority. {eo}
