

# Exposing the Real Dangers of Witchcraft, Psychics, Tarot Cards and Hypnotism

While some people may believe psychics, Ouija boards, tarot cards and more are just pretend, Carol Kornacki knows the truth.

“The reality of witchcraft, yes, witchcraft is very real,” say Kornacki, who dabbled in magic and New Age religious practices for years. “If you go to the devil for power, he will give it to you.”

In a classic episode of *It's Supernatural! With Sid Roth*, the ex-witch explained the reality of what happens when someone starts to explore the occult.

“As great as it looks, as intriguing as it looks, and as drawing as it can be, the end of it is death. There's always a price to pay.”
