

‘Firefighter Prophet’ Updates His Vision for Donald Trump’s Presidency

In April 2011—yes, 2011—retired Florida firefighter Mark Taylor received a word from the Lord about the future of America.

In that powerful prophecy, God said Donald Trump had been chosen to lead the United States of America to “bring honor, respect and restoration.” Five years later, he shared that word—and a few others the Lord had given him—in an interview with Pastor Rick Wiles of TruNews.

Now that it’s obvious much of what Taylor prophesied has come to pass, Wiles invited him back onto his program (interview begins at the one-hour mark) for an update. The “firefighter prophet” revealed quite a bit about what God has been speaking to him, but first wanted to give credit where it was due.

“God has performed everything He said He was going to do,” Taylor said. “First and foremost, I want to give credit to Lord Jesus, who is the Spirit of Prophecy, because this isn’t about me, it’s not about one person, this is a team effort by the church—whether it was prophesying; whether it was praying, interceding and fasting—they rose to the occasion and God did exactly what He said He was going to do. It was a massive victory for the body of Christ.”

Taylor also had a warning for the body of Christ: We won the first battle, but we haven’t yet won the war. The first objective—getting Trump elected—has been accomplished, but we must continue on to the next—getting him sworn in.

“I do believe the enemy may try a few things to try and stop that,” he said. “It will not be successful, but it will be up

to the church to continue to pray for and fight until we get this man actually sworn in."

Wiles said he believed there will be intense spiritual opposition to cleaning up America, especially when it comes to "eradicating the deep-rooted corruption and spiritual wickedness in high places." He said that what came out in the final weeks of the campaign via the WikiLeaks disclosures was "so hideous," particularly the likelihood that senior members of the Clinton campaign were participants in occult practices, such as "spirit cooking."

Taylor referred to his original interview with Wiles, in which he said God was pulling back the veil and exposing the evil and corruption of the current government. He said it wasn't even really a matter of the veil being pulled back as much as people were supernaturally exposing themselves without even knowing it via the WikiLeaks releases.

Taylor and Wiles then discussed the likelihood there will be tribunals convened in which divine justice will be meted out. They agreed the Lord was telling them these tribunals would be of the kind not seen since the Nuremberg Trials of former Nazi regime leaders after World War II.

"What I am actually hearing is that these tribunals will make Nuremberg look like a cake walk because this corruption goes so deep and it goes worldwide because the Clinton Foundation goes worldwide," Taylor said. "I think it's going to be on an international level."

Wiles added he believed the exposure of corruption is only just beginning, and will continue for years to come. He expects it to continue throughout the Trump administration. He said God is going to use the president-elect to expose and bring to justice "some of the most corrupt people on the face of the planet right now."

He also remembered Taylor said back in April that three

members of the Supreme Court would be forced to resign. This refers back to a October 2015 prophecy Taylor had in which the Lord told him the new president would pick three new judges "from My tree," which he said was later updated to five judges.

"He told me one was going to die early, which has already happened—Scalia—and was going to be someone that we didn't expect. One was going to retire, and three were going to be caught up in some kind of controversy. Now, what that controversy is, God has not shown me, but now we're seeing so much of this foundation, and Jeffrey Epstein's island, all of these corrupt things that are coming out right now—there's no telling what it could be at this point."

Wiles said he believes Julian Assange either does have, or soon will have, internal documents that involve Supreme Court justices. This will likely reveal bribery, particularly over cases before the court involving same-sex "marriage" and Obamacare, while Taylor said he believed *Roe v. Wade* would be overturned as a result.

Taylor also said the rooting out of corruption won't be limited to government. The church will be cleansed, as well. It will start with the removal of the Johnson Amendment, which he said God revealed to him as a demonic presence, but will continue with the rooting out of churches and leaders who are morally corrupted.

"This is what the true Army of God is about: taking the fight to the enemy, taking ground, and holding that ground. America's best days are ahead of her. I truly believe that. This is just the beginning. This is just the beginning."

The following is Taylor's original prophecy from 2011:

The Spirit of God says, I have chosen this man, Donald Trump, for such a time as this. For as Benjamin Netanyahu is to Israel, so shall this man be to the United States of

America! For I will use this man to bring honor, respect and restoration to America. America will be respected once again as the most powerful and prosperous nation on Earth, (other than Israel). The dollar will be the strongest it has ever been in the history of the United States, and will once again be the currency by which all others are judged.

The Spirit of God says, the enemy will quake and shake and fear this man I have anointed. They will even quake and shake when he announces he is running for president, it will be like the shot heard across the world. The enemy will say what shall we do now? This man knows all our tricks and schemes. We have been robbing America for decades, what shall we do to stop this? The Spirit says HA! No one shall stop this that I have started! For the enemy has stolen from America for decades and it stops now! For I will use this man to reap the harvest that the United States has sown for and plunder from the enemy what he has stolen and return it seven-fold back to the United States. The enemy will say Israel, Israel, what about Israel? For Israel will be protected by America once again. The spirit says yes! America will once again stand hand and hand with Israel, and the two shall be as one. For the ties between Israel and America will be stronger than ever, and Israel will flourish like never before.

The Spirit of God says, I will protect America and Israel, for this next president will be a man of his word, when he speaks the world will listen and know that there is something greater in him than all the others before him. This man's word is his bond and the world and America will know this and the enemy will fear this, for this man will be fearless. The Spirit says, when the financial harvest begins so shall it parallel in the spiritual for America.

The Spirit of God says, in this next election they will spend billions to keep this president in; it will be like flushing their money down the toilet. Let them waste their

money, for it comes from and it is being used by evil forces at work, but they will not succeed, for this next election will be a clean sweep for the man I have chosen. They [the enemy] will say things about this man, but it will not affect him, and they shall say it rolls off of him like the duck, for as the feathers of a duck protect it, so shall My feathers protect this next president. Even mainstream news media will be captivated by this man and the abilities that I have gifted him with, and they will even begin to agree with him says the Spirit of God.
