

For Those Who Missed It, Jonathan Cahn's Explosive Film Still Available for Viewing Through July

Ever since *The Harbinger* by New York Times bestselling author Jonathan Cahn was released in 2011, followed by *The Harbinger II: The Return* in 2020, people have been asking: "Has the mystery continued? Have more harbingers manifested? Is America closer than ever to judgment? What does the future hold?"

After years of holding back, Cahn finally dove deeper into the ancient mysteries that lie behind what is happening in America and the world today—and in the future. Cahn's explosive new motion picture, *The Harbingers of Things to Come*, was a blockbuster success, topping the charts as one of the top five films viewed across the nation and the third highest per screen average for the two days it was featured in theaters. The first showing alone saw the film rank number two at the box office as the second highest grossing film nationally. In total, the explosive motion picture saw almost 100,000 people in just two nights and grossed more than \$1 million.

The film looks at certain symbols and images that reveal the prophetic visions and warnings Cahn has deciphered by studying ancient texts, while also addressing riveting themes such as whether or not COVID-19, 9/11, the financial collapse and other shakings are all part of an ancient mystery. Are the shakings that have come upon the world a sign or a warning of things to come? Is that ancient mystery determining the events of our time, and does it reveal the secrets of the future?

Now out of theaters, fans can still witness the monumental film through the Faith Content Network. With a network of

nearly 150,000 pastors and church leaders, the Faith Content Network is a collection of churches that present new, faith-driven theatrical events available in tandem with their exclusive theatrical release. *The Harbingers of Things to Come* is available through the Faith Content Network for hosting at churches, communities, groups and organizations nationwide, through ticketed streaming events through July 31, 2022.

Additionally, the film prepares audiences for the release of Cahn's most explosive book yet: *The Return of the Gods*. Cahn is known for revealing the stunning mysteries, many from ancient times, that lie behind and are playing out in the events of our times. But with *The Return of the Gods*, Cahn takes this to an entirely new level and dimension. Due for release on Sept. 6, 2022, *The Return of the Gods* takes readers on a journey from an ancient parable to the ancient inscriptions in Sumer, Assyria and Babylonia that become the puzzle pieces behind what is taking place in our world to this day, specifically in America.

With the release of *The Harbinger II: The Return* in September 2020, multitudes of new fans have embraced Jonathan Cahn's compelling messages and prophecies, in addition to the millions that are already heeding the warnings and prophecies outlined in his previous books over the past decade.

The author has made multiple media appearances, including on CBN's *The 700 Club*, TBN's *Praise*, and *Family Talk* with Dr. James Dobson.

Cahn's first book, *The Harbinger*, became an instant *New York Times* bestseller when it was published in 2012. His next four books were also *New York Times* bestsellers: *The Mystery of the Shemitah*, *The Book of Mysteries*, *The Paradigm* and *The Oracle*. Along with Billy Graham, Cahn was named one of the top 40 spiritual leaders of the past 40 years who have radically impacted the world.

Called the prophetic voice of this generation, Cahn has spoken on Capitol Hill, at the United Nations and to millions around the world. Cahn is known for opening the deep mysteries of Scripture and bringing forth messages of prophetic import. He leads Hope of the World ministry, an international outreach of teaching, evangelism and compassion projects for the world's neediest. He also leads the Jerusalem Center/Beth Israel, a worship center made up of Jews and Gentiles, and people of all backgrounds, outside New York City in Wayne, New Jersey.
