

From the Top Down, This Is America's No. 1 Problem

The No. 1 problem in America, from our Congress to our tiniest children, is lawlessness, prophetic voice Bobby Conner tells Jim Bakker.

"We've got to get back justice," Conner says.

Conner's comments come after growing protests across the country, particularly in Charlotte.

Men and women must stop looting and vandalizing in the name of protests, he says.

Rather than the violent outbursts that have made headlines, Conner has another suggestion. Watch the video to see what it is.
