

Give Your Marriage a Makeover In a Month

✖ Dr. Doug Weiss is all about healing. He has devoted his life to healing the sexually broken. Through his work as a counselor and clinical psychologist as well as his many books, public speaking and numerous media appearances, Dr. Weiss has been able to help rescue thousands from sex addictions and other problems. He claims an 85 percent success rate. He personally understands sexual addiction, and has been successfully sober for more than 24 years.

In *30-Day Marriage Makeover*, Dr. Weiss discusses the power of intimacy and explains how couples can experience the abundant life Jesus promised—yes, even in marriage.

“Throughout my years of counseling, I have discovered that many marriages lack structures to encourage intimacy,” he writes.

“We grow up believing that one day we will get married and live happily ever after. We enter marriage ill equipped for intimacy and are disappointed when our husband or wife doesn’t possess the secret code to intimacy either.”

In this 30-day, step-by-step guide, Dr. Weiss uses his biblical knowledge and counseling experience to help couples strengthen their relationship with Christ, which will in turn deepen their relationship with each other. “I have been married for many years, and as we

have applied
these principles to our marriage, we have continued to grow
closer and stronger
together," he says. "Throughout the years, these principles
have
given life to my wife, to many of my clients and to me.

"Understand that passion is a result of setting
priorities," Dr. Weiss adds. "Too many people attempt to get
back the
passion instead of getting back their priorities. Once you get
the priorities
back, the passion follows and grows naturally."
