

God Is Answering Our Prayers For America

We have been praying for America to repent and return to the Lord. Two weeks ago, we received incontrovertible proof that God is answering our prayers for America.

Donald Trump's survival of the assassination attempt, by a centimeter, can only be attributed to the intervention of God. Whatever you may think of Trump, God prevented the lawlessness we have been praying about from snatching away a presidential candidate. Americans will still get a choice in the 2024 election.

Since we began praying for repentance on Oct. 14, 2023, and revival on April 8, 2024, God has been moving to expose evil and roll back the lawlessness that has risen against America.

In October, the genocidal Hamas attack on Israel revealed a strain of antisemitism promoted by Hamas and anti-American professors. Secret sins of church leaders have been exposed as judgment begins in the house of the Lord, and God is cleaning up His church for revival. Government corruption has been exposed as we have discovered that our CDC funded COVID in a Chinese lab, Big Tech conspired with the government to hide COVID truths, and the FBI intervened in the 2020 election by concealing the existence of Hunter Biden's laptop while 51 intelligence officials lied about it. Then the presidential debate proved that President Biden is indeed suffering from dementia.

Our courts have begun restoring our rights and protecting Americans from government lawlessness. Just this week, the lawless assignment of a special prosecutor against Trump was

thrown out, and comes after the Supreme Court ruling in favor of our long tradition of presidential immunity for official acts. The Supreme Court has also restored trial by jury against government agencies and no longer will give bureaucrats a free hand to impose lawless regulations. In response, lower courts reversed rules forcing schools to let males compete in women's sports and an attempt to upend longstanding laws concerning noncompete agreements.

On April 8, millions of Americans experienced awe and the presence of God during the solar eclipse. Now, they have seen God miraculously spare Trump. God is answering our prayers and making a way to revive America with the gospel.
