

Gunman Targets Pastor Greg Locke's Home in Shocking Attack

Pastor Greg Locke and his family were the targets of a gunman late on Tuesday night, Sept. 3.

Locke gave the update on Facebook to let people know that he and his family were safe and unharmed, by God's miraculous grace.

"It's 2:00 a.m. and for the last three hours our home has been a full-blown crime scene," Locke writes. "According to the security cam footage, we pulled into our driveway exactly ONE MINUTE after a madman unloaded an entire magazine of bullets from an automatic weapon into our house, garage and my truck. The sound on the video is truly horrific. Detectives will still be here for a good while tonight."

Locke says one of his children was at home when the shooting took place, but thankfully they were in a different part of the house.

"Only one of our kids was home and thank God not in the same area of the house. As you can see in the last pics, one of the bullets cut through the headboard of our youngest daughter's bed and lodged in her pillow."
