

# 'Harbinger' Author Appearing on Glenn Beck Show

Jonathan Cahn, *New York Times* best-selling author of *The Harbinger* (FrontLine), will be a featured guest on The Glenn Beck Show June 26 to 27, 2012.

Cahn will be discussing the book and its striking similarities to current events as well as why Americans need to turn back to God.

Subtitled "The Ancient Mystery That Holds the Secret of America's Future," *The Harbinger* is published by FrontLine, an imprint of Charisma House. The book traces a series of detailed parallels between what has happened in the United States since the 2001 terrorist attacks—including the economic collapse—and Israel's history after it turned away from God. Told in a fictional narrative, the book unfolds how nine signs concealed in recent events reveal God's progressive judgment.

Prior to inviting Cahn as a guest on the show, Beck reviewed *The Harbinger* on both his radio and television programs and said it was "incredible and the essence of the truth."

Released Jan. 3, the book has sold more than 415,000 copies, gone to reprint over eight times, and hovered on Amazon's top 100 best-seller list for several months. It is the first *New York Times* best seller for Cahn and has been on the best-seller list for over 23 weeks and *USA Today* Top 150 Books for 22 weeks.
