

Has This Prophetic Word About a Wounding on the Left Come to Pass?

Jim Bakker says his 2007 prophecy about a “wounding on the left” came to pass with the election of Donald Trump.

After one of the biggest surprises in election history, the left seems to be in absolute chaos.

“Now, they’re acting as if they’re a wounded animal, irrational and dangerous,” *Revelation in the News* co-host Kora Chrzan says. “Not only against the president of the United States, but against Christian conservative values, and these words and ideas are shaping our culture right before our eyes.”
