

Heidi Baker Says 'This is Not the Time to Play Games'

Note: Heidi Baker's speaking portion of this video begins at 1:18:50.

Apostle Heidi Baker says this is not the time for American Christians to play games. It's time for them to get serious, and it's time for them to fix their eyes solely on Jesus.

One of the guest speakers at the Supernatural Life Conference in Camp Hill, Pennsylvania, Thursday, Baker said that while she was in Tennessee recently, the Lord gave her a two-part prophetic word for the body of Christ.

"I was groaning, and I realized I was groaning for America," Baker says. "I started seeing it, and it was showing me His glory. But He was also showing me suffering like you've never seen. I said to the Lord, 'they don't want to hear it, they don't want to see it.' And he said to me, 'Are you to going tell them, who are you? You said you would go anywhere and say anything.

" I said, 'Lord, I'm so, so sorry, I will go if you ask me. I lay my life before you.' I was seeing shaking, but I saw His glory. All I can say is that you had better fix your eyes on Jesus. This is not a time to play games. There is darkness covering the earth, huge darkness, but the glory of the Lord will be your rear guard. Hold on and stay in your lane. Remove the judgment you have on the body of Christ. If you have judgment, you are going to be missing a piece you need to move in these days."

The Supernatural Life Conference will be streaming live on , as well as on the Charisma Plus app Wednesday, Thursday, Friday, and Saturday (September 22-25, 2021).
