

Hello Hurricane

 By Switchfoot | Sparrow

Hello Hurricane is Switchfoot's seventh full-length studio album, which lead singer Jon Foreman calls a "new beginning." The band combed through 80 songs before selecting the very best for this album.

First single "Mess of Me" is a hard-rock confessional that we are our own worst enemies. The piano-led ballad "Always" cries out: "Hallelujah! / I'm caving in / Hallelujah! / I'm in love again / Hallelujah! / I'm a wretched man / Hallelujah! / Every breath is a second chance / And it is always yours / And I am always yours." The beautiful melody and moving lyrics are sure to make this an album standout.

"*Hello Hurricane* acknowledges the storms that tear through our lives," Foreman states. "This album is an attempt to respond to those storms with an element of hope, trying to understand what it means to be hopeful in a world that keeps on spinning."
