

Hidden Mysteries the Hebrew Names of God Reveal About His Character

Names are very important. They matter to children, to parents and to families alike. Knowing someone's name allows us to relate to them with greater intimacy. So the fact that the Bible is full of names of God is a way to better know Him. Some of His biblical names are penned by people in very personal times of struggle; other times God's names are spoken by prophets. In telling us various names of God, the Bible is sharing some very sacred and wonderful information about what God has done, and what He promises to do for those who know Him. Knowing the different names of God is not just a lesson in theology; it's an invitation to draw near to God and enter into the genuinely personal and life-changing relationship He offers.

Whatever your background or your beliefs may be, as you take your colored pencils or pens to the pages of this messianic coloring book, you will see the names of God expressed in the beautiful illustrations of Bible scenes and stories by a messianic Jewish artist. To the left of each illustration is the outlined Hebrew word for that name of God, a selected Scripture passage and a few devotional thoughts for you to reflect on.

The proceeds from your purchase will go directly into the evangelistic ministry of Jews for Jesus. So when you shop, you are also equipping Jews for Jesus for ministry to the lost sheep of the house of Israel (Matt. 10:6).
