

His Dad Tried to Kill Him, But Angels Gave Him a Prophetic Strategy That Saved His Life

Absolutely horrific.

Eight-year-old Anthony Sukto told the 911 operator his father had killed him after first killing his mother. But somehow, he survived, which he says was thanks to angels telling him to play dead.

That was nine years ago. Today, Sukto is operating without bitterness in his heart.

Could you respond to the man who attempted to murder you like this? Take a look.
