

Holiness, Truth and the Presence of God

✖ Francis Frangipane | Charisma House

In his book *Holiness, Truth, and the Presence of God*, Francis Frangipane tackles the difficult questions of satisfaction in spiritual growth. Using biblical principles and his spiritual experience, Frangipane offers keen insight into the truths of God as well as how to develop a deeper spiritual walk.

“We are not seeking an antidote that deals with the effects but not the cause of our human condition. We are seeking the living God. For true holiness does not come from following rules; it comes from following Christ,” says Frangipane.

Writing with a fresh perspective, Frangipane weaves the teachings of Jesus through *Holiness, Truth and the Presence of God* with both humility and compassion to reach readers in any phase of their Christian walk. He writes for those dissatisfied with status quo spirituality, wanting more and willing to do something about it.

“The path toward true holiness, therefore, is a path full of both life and death, perils and

blessings," declares Frangipane. "It is a path upon which you will be challenged, empowered, provoked, and crucified. But you will not be disappointed. If it is God you seek, it is God you will find."
