

Hollywood Celebrities Push Hallow App in Christmas Prayer Blitz

Actors Mark Wahlberg and Mario Lopez, alongside pop icon Gwen Stefani, are encouraging their fans to turn to prayer this Christmas season by using the Catholic prayer app Hallow.

In a recent video posted to social media, Wahlberg and Lopez appeared together in front of a wooden cross, each delivering a brief but heartfelt message to their followers.

“Happy Sunday, everybody, God bless you,” Wahlberg said in the video, standing beside Lopez. The *Saved by the Bell* actor followed with, “God bless, and stay prayed up, God bless,” before tagging the Hallow app in the post.
