

How Critical is Tim Sheets' Proceed Prophetic Conference to the Survival of America?

Apostle Tim Sheets believes it is going to be one of the most important weekends of the year.

The Proceed Conference, to be held Friday night and Saturday at Sheets' Oasis Church, will be crucial for not only those in attendance, but those tuning in online to hear what the Lord is speaking to every believer in the body of Christ.

The two-day conference in Middletown, Ohio, is sold out, but those interested can tune in on YouTube, Facebook and beginning at 7 p.m. Friday. Sheets, his brother Dutch and Prophet Chuck Pierce will deliver significant messages to the body about God's plans for his children for these tumultuous times.

"It's going to be a special weekend and there is so much that we need to hear from Holy Spirit," Tim Sheets said in a recent sermon at Oasis Church. "We are going to be preaching to the ecclesia wherever they may be. Many of you are seeking the Lord as to what this time is about. We are hearing the Word of the Lord.

"What is He saying and what are His strategies for these times? What are the prayers and the decrees that need to be made for our time? We will also talk about the partnership with God's angel armies, and that's very important for these times that we are in."

For believers in Sheets' home state of Ohio, one of the biggest political issues that is approaching is that of Issue 1, a constitutional amendment about the Right to Make Reproductive Decisions, including Abortion Initiative. Early

voting starts Oct. 11 and runs through Nov. 7.

A “Yes” vote supports amending the Ohio Constitution to:

Establish a state constitutional right to “make and carry out one’s own reproductive decisions,” including decisions about abortion, contraception, fertility treatment, miscarriage care and continuing pregnancy, as well as allowing the state to restrict abortion after fetal viability, except when necessary to protect the pregnant patient’s life or health.”

A “No” vote opposes the amendment to establish such a constitutional right.

Sheets says it’s not only important for Ohioans to vote “no,” but for the rest of the country to sit up and take notice. If it is passed, he says, what’s to stop it from spreading to the rest of the country.

“It has a lot to do with parental rights and some of the transgender confusion that are trying to make into law, and it’s despicable,” Sheets says. “We need you to vote ‘No.’ The definition of ecclesia is for Christ’s church to vote.”

Sheets prayed over the purpose of the conference in the words of the apostle Paul: “I do not cease to give thanks for you, making mention of you in my prayers that the God of our Lord Jesus Christ, the Father of Glory, whom we want to represent well.”

“I pray that this Proceed Conference will give you a Spirit of wisdom. I want to pray that this house will be filled with the Spirit of wisdom that every thought, every word, every deed would be wise, filled with the Spirit of wisdom and revelation. It’s apocolypto, the revealing, the uncovering of

truth—the way things really are and the revelation concerning our times. We are to discern our times like the sons of Issachar. I pray for the eyes of our understanding to be enlightened. I want to be able to see and identify what's taking place accurately in the spiritual realm and in the natural realm.

“I pray for Dutch, for Chuck and for myself and the other apostles and prophets here at this conference that we would have a clear understanding in the spirit realm, and in the natural realm, and to be able to communicate it very clearly that we may know the hope of His calling and what is the rights of the glory of His inheritance to the saints.

“There is an inheritance that God has in mind for us in this season and yes, it is a time of shake. It has to be shaken. There is so much shaking taking place right now that you just can't keep up with it. Our government is being shaken and there are those who are being uncovered. It is so much of a severe shake-up that it will affect everything and even other nations. It's happening in front of our eyes.” {eo}
