

How Dark Forces Are Uniting Against Trump

Author John Shorey tells televangelist Jim Bakker that dark forces are uniting against President Donald Trump.

Despite his several months in office, the mainstream media and rage-filled left continue to fight to remove him from power.

But there's more than meets the eye.

Shorey says one woman even prophesied several months ago exactly what was going down.

"It's like we're seeing, happening this week, what she said the dark forces want to do to this man."
