

How Dolly Parton's Faith Impacted Her Latest Project

Country music legend Dolly Parton infuses her faith into everything she touches, including her upcoming Netflix series, *Dolly Parton's Heartstrings*.

"I have a lot of faith, and that's what gets me through my life; it always has," Parton told Movieguide® at the red-carpet premiere of the show.

"I grew up here in these mountains in a very spiritual family. My grandpa was a preacher. I believe that through God, all things are possible, and that included my creativity and my dreams. It's just really a fun night to be here seeing another dream come true, and I just thank God for all of it," Parton said.

Heartstrings will stream on Netflix beginning Nov. 22.

According to the Netflix synopsis, *Heartstrings* features eight stories celebrating family, faith, love and forgiveness coming to life. The series is inspired by Dolly Parton's iconic country music catalog.
