

How 'Drug-Bear, Iron Man' Dr. Michael Brown Found Jesus

The man behind AskDrBrown radio program fiercely argues for Jesus and against the rise of cultural perversion.

But etched into his inviting face are the lines of a life before God.

"When I was in high school, I earned the nicknames drug-bear and Iron Man," Brown says in a new video produced by ONE FOR ISRAEL Ministry.

"I would take massive quantities just to see how far I could go," Brown says.

But then, his friends told him about the book of Revelation and the end times. Brown was hooked.
