

How Getting These Candidates Elected in 2018 Is Crucial for America's Future

Do you want to be part of a movement to get pro-Trump candidates elected to Congress? Six months ago, I publicly called for “an army of pro-Trump activists” all over the nation to run for seats in the House or the Senate, and it is actually happening.

In this article, I am going to share with you 24 of the very best pro-Trump candidates who are running for office in 2018, and we hope to continue to grow this list over time. In fact, we have given this list a permanent home on Facebook on a page entitled “Pro-Trump Candidates For Congress”.

For a long time, I have been saying that the 2018 mid-term elections will be the most important mid-term elections in modern American history. If we fail to get many pro-Trump candidates elected, President Trump will not be able to do much leading into the presidential election of 2020, but if we are able to get dozens elected, we will have a golden opportunity to implement the Make America Great Again agenda and fundamentally transform how Washington D.C. works.

The 24 candidates listed below need volunteers, financial support and media exposure. Many of them will be challenging very powerful incumbents from the establishment wing of the Republican Party, but as we saw in the case of Roy Moore, we can win if we all work together. Check “Pro-Trump Candidates For Congress” often, because this list will continue to grow:

Michael Snyder, House, Idaho
Judge Roy Moore, Senate, Alabama
Dr. Kelli Ward, Senate, Arizona
Omar Navarro, House, California

Geoff Diehl, Senate, Massachusetts
Paul Nehlen, House, Wisconsin
Danny Tarkanian, Senate, Nevada
Justin Fareed, House, California
Tom Campbell, Senate, North Dakota
Mike Gibbons, Senate, Ohio
Marsha Blackburn, Senate, Tennessee
Christina Hagan, House, Ohio
Barry Moore, House, Alabama
Aja Smith, House, California
Corey Stewart, Senate, Virginia
Kevin Cavanaugh, House, Arizona
Dave Giles, House, Arizona
Patrick Morrissey, Senate, West Virginia
Carla Spalding, House, Florida
John Schiess, Senate, Wisconsin
Joe Billie, House, Pennsylvania
Robert Kuniege, House, Pennsylvania
Katie Arrington, House, South Carolina
Greg Pence, House, Indiana (Mike Pence's brother)

I did not include potential candidates such as Pastor Darrell Scott and Joy Villa on the list, but once they formally announce their bids I will be thrilled to add them.

If you know of other pro-Trump candidates who would make good additions to this list, please visit the contact page on my official campaign website and let me know. My campaign team is incredibly excited about pro-Trump candidates all around the nation working together, because our best chance at victory is if we all support one another.

Here in Idaho, our campaign has a ton of momentum, and other pro-Trump candidates are also seeing really positive poll numbers right now. But in order for the pro-Trump movement to be truly successful in 2018, we are going to need thousands of volunteers, donors and social media warriors to get involved all over the country.

Also, we still need more candidates to run.

If you stand with President Trump, and you believe in the Make America Great Again agenda, don't be afraid to go for it. So many races still do not have a pro-Trump alternative, and time is quickly running out.

We are on a mission to take our government back, and we are asking you to join us. Working individually, we could never make this happen, but if we choose to work together we can do truly extraordinary things. {eo}
