

How God Called Lou Engle to Be an Instrument of Revival

Lou Engle, an intercessor for revival and the visionary co-founder of TheCall, a prayer and fasting movement responsible for gathering hundreds of thousands around the globe, joins host Denise Goulet on a recent episode of *Revealing God's Heart* on the Charisma Podcast Network. Engle is a dreamer of God who puts God's heart into action on this earth.

Engle says, "If you hang around the dream King, you get into a dream stream, join yourself to a dream team and you do the Martin Luther King thing."

He has been involved in church planting, establishing prayer movements and strategic houses of prayer. He is the founder of the pro-life ministry Bound4Life. Now residing in Colorado Springs, he is married to his beautiful wife, Therese, and blessed with seven wonderful children and 11 beautiful grandchildren. He is the president of Lou Engle Ministries, recently launched to mobilize fasting and contending prayer, to envision and empower stadium Christianity and to ignite reformation prayer into the nations of the earth.
