

How God Is Positioning America, France in Wake of Terrorist Attacks

As I was in prayer for France this morning, the Lord spoke to me and said, "Europe went from awakened to asleep and while they slept the enemy sowed tares among them. Europe is about to experience another great awakening." Some of the greatest revivalists many in the world today admire were born in Europe, there are wells of revival that have been stopped up so the people could not drink, but God is about to open them once again.

Men such as John and Charles Wesley; Duncan Campbell (Hebrides Revival); Smith Wigglesworth; Evan Roberts and John Dowie. As this nation experiences a great awakening, these seeds of revival that are so much a part of the DNA of this continent are going to arise. Europe is on the cusp of a major awakening and the current situations that are coming against them will wake up this nation. Europe will redig the wells of their fathers, just as Isaac did in Genesis 26, watch Europe for the beginning of another Great Awakening and for revivalists to come from there and go to the nations yet again.

As I finished praying for France, the Lord led me to pray for America and what I heard the Lord say was, "America has relinquished her authority, it was not stolen from her, she was deceived into giving it away. I have made America a storehouse (distribution center) of truth for the nations and she will become that again." America has been a storehouse for the nations for many years, but as we have been slowly being deceived, we have relinquished our authority out of our ignorance.

Galatians 3:1 says, "You foolish Galatians! Who has bewitched

you?" Paul had spoken the truth to the people of Galatia, but they had become deceived, for they started believing a lie, rather than the truth. America is just like Galatia; we have been bewitched, we have been deceived by the Antichrist spirit. But God has created this nation to be a storehouse for the nations, so there is going to be a revival of truth in this land. America will know the truth and the truth will set her free (John 8:32). Once we have a revival of truth, we will see a revival of our authority, for truth and authority are inseparable.

Finally, I believe that when Europe has a great awakening and America has a revival of truth, the two nations will become like wonder twin powers that activate the greatest move of God the world has ever seen. America will distribute truth to the nations again and Europe will release revivalists to the world again, we are on the verge of a revival of truth that is going to look a lot like Mt. Carmel (1 Kin. 18), where the fire fell and the people said, "Yahweh is God! Yahweh is God!" Two nations ... two words.
