

How God's Love Letter Reveals His Greatness

Jesus' death, burial and resurrection demonstrate God's love. But His love does not stop there. Rather, it continues.

How do we know? Our Bible tells us so.

God calls each of us into an intimate, vibrant and growing relationship with Him every day. Part of deepening that relationship with Him is studying His Word daily. In 2 Corinthians 1:20 (NASB) we read: "For as many as the promises of God are, in Him they are yes; therefore through Him also is our Amen to the glory of God through us." Amen means "it shall be so". This alone should get us excited to see how many promises He has made toward us. He will make sure they all come to pass. Our Bible gives us stories where we see both the promises and how He has fulfilled them.

When we place a priority on growing with the Lord, we will find quiet moments in our day to study the Word. That may mean getting a study Bible that provides deeper insight to the Scripture. We will ask the Lord in prayer to reveal Himself to us when we read the Scripture and go through our day. God wants to interact with us during our days. We will find a God who is with us always, and He will not fail us nor forsake us, as He has promised. (See Matt. 28:20 and Heb. 13:5.) What a reason to say "God is great"!

Over the upcoming weeks, I would like to invite you to spend some time with me in Bible study. We will be diving into sharing Jesus with those around us as well as growing with the Lord. We will be working from my two books, *Heaven Bound* and *Walking The Talk*. You can read along and listen to my recent episode of *Loved Always*. My website, [www.marymccormack.com](#), has links to purchase each book. Bring along your Bible, as it is the foundation for

any book I write to help believers. There are countless Scriptures in these books. We will only be able to touch the surface within this framework. I would like to make sure you have great resources that help you in your journey with the great God we love, serve and worship.
