

How Has the Digital Age Affected Christianity?

✖ In what ways has new technology (e.g. smartphones, iPads, websites, Internet video/audio) affected your personal relationship with God? Is your church doing anything innovative on the tech front? What impact has the digital world had on it?

These are some of the questions we'll be dealing with in an upcoming issue, but we want to hear from you. If you have any thoughts on the topic or, better yet, know of great examples we should highlight (e.g., churches/ministries pioneering on the digital front), send us a message. You could be featured in an upcoming issue of *Charisma*. Answer here or email me at @.
