

How Our Preachers Are Deceiving Us

Take a deep breath and clear your mind to digest Pastor David Lankford's words about the end of days.

To begin, many churches deal with false prophets and false teachers as described in 2 Timothy.

"Our preachers are deceiving us. All they want is one thing: money," Lankford says.

As believers, our first goal should be to pursue Luke 24:45, followed by 2 Timothy 3:16.

"The Word of God corrects us when we are wrong," Lankford says.

The concept is especially applicable to the prophesied judgments for the end of the world. Watch the video to see his full explanation.
