

How These Ancient Words Foretell Events That Are Coming to Pass

The soon-to-be-released book, *The Oracle: The Jubilean Mysteries Unveiled*, by *New York Times*' bestselling author Jonathan Cahn is full of spectacular mysteries and revelations that are sure to stun readers worldwide.

Since ancient times, people have gathered in their synagogues, opened up the scrolls and read appointed, specific portions called *parashas* every Sabbath day. Jonathan Cahn's new, soon-to-be-released book, *The Oracle*, reveals that these ancient words actually foretell world events that come to fulfillment at the time of their appointed reading.

The Oracle will debut in just two weeks, on Sept. 3. In his new, highly anticipated book, Cahn opens up the Jubilean mysteries and a revelation so big that it lies behind everything from the rise and fall of nations and empires—even America—to the current events of our day, to the future, to end-time prophecy and much more.

The Oracle reveals mysteries linking ancient worlds to current events.

"There are ancient words," Cahn said, "appointed to be read on specific Sabbaths or specific days in the Jewish world. The amazing thing is that in these appointed words are prophecies, and when they're read—they're appointed to be re-read all over the world, they're recited, they're chanted—what they're speaking about comes true."

These words have been uncannily pinpointing events that took place in World War I and World War II, presidential actions and even the birth of Donald Trump.

"We believe in an incredible God who speaks to us, not just through signs and miracles, but also through words that transcend time and speak to our lives now," Cahn said.

In *The Oracle*, Cahn takes readers on a journey to find the man called "the Oracle." One by one, each of the Jubilean mysteries is revealed through the giving of a vision to a traveler. *The Oracle* uncovers the mysteries of "The Stranger," "The Lost City," "The Land of Seven Wells," "The Birds," "The Number of the End," "The Man in the Black Robe," "The Prophet's Song," "The Man with the Measuring Line," "The Matrix of Years," "The Day of the Lions," "The Awakening of the Dragon" and many more.

Ultimately, *The Oracle* will reveal the secret that lies behind end-time prophecy and the mystery of the end of the age. As with two of his other bestsellers, *The Harbinger* and *The Book of Mysteries*, Cahn reveals the mysteries through a narrative. A traveler is given seven keys; each will open up one of seven doors. Behind each door lies a stream of mysteries. The reader is taken on a journey of angels and prophetic revelations waiting to be discovered behind each of the seven doors—the ancient secrets that lie behind the world-changing events of modern times—and revelations of what is yet to come.

Jonathan Cahn caused a worldwide stir with the release of his explosive first book, *The Harbinger*, which became an instant *New York Times*' bestseller and brought him to national and international prominence.
