

How to Cast Out Demons With Authority

There are many different ways to release deliverance. Whether through a deliverance ministry, a particular group of people or a religious denomination, people believe demons should be cast out a certain way. Can we get legalistic in the way we exude deliverance ministry? How should we order demons out?

As I travel internationally, as a deliverance minister, I have seen and heard many different things about casting out demons. I am astounded at the number of people who don't practice deliverance ministry Jesus' way. In the Bible, in the gospels, Jesus exemplified how to release the ministry of deliverance. Yet, we are coming up with man-made ideas and doing what we have seen others model instead of what Jesus modeled.

People aren't being set free because there is more chaos and confusion in deliverance ministry than order and biblical instruction. One of the common questions is, "Where do I send them, and what do I say to cast a demon out?"

In this episode, deliverance minister and spiritual warfare expert Kathy DeGraw, will lead and guide you through biblical deliverance Jesus' way. Kathy has traveled internationally, teaching people how to do deliverance and setting thousands of people free from bondage of the enemy. She has written the books *Discerning and Destroying the Works of Satan* and *Unshackled* to lead and guide people to receive and release the ministry of deliverance. She is passionate about bringing proper balance into deliverance ministry.
