

How to Find Heavenly Peace in Your Chaotic Season

Gary Beaton of Transformation Glory ministries spoke powerfully on a recent episode of *Live Your Best Life With Liz Wright*. This conversation with Liz and Gary is packed with life-changing revelation and tools to help us stand strong in this hour and have confidence in our almighty God.

As Gary says, "It comes back to His nature, that He's going to be faithful to His people to guide us through these times because He's invincible."

He is a God of compassion and His love is tangible. Gary encourages us that even though "we face impossible situations at times ... He's the God of impossibility. He specializes in the impossible."

Gary also reminds us that we can have a garment of praise for a spirit of heaviness. Praise and proclamations of faith are powerful to destroy the enemy's accusations and attempts to discourage us. When we can rise in faith and say, "I don't care what it looks like; I don't care how bad it is; you are God Almighty, and You are faithful, and You are my King," it causes us to stand strong in the reality of who God is; He is faithful!

God wants us to draw on our history with Him and trust in His faithfulness. Gary shares a testimony of when the Lord met Him while he was in the greatest physical pain of his life. While there is turmoil in the world and things have been shutting down around us, Gary has deeply felt the invitation from the Lord to come away with Him.

Today is your time to respond to this holy invitation to come away with Jesus. Sitting at His feet makes any difficult situation a doorway through which His power can break through

into your life!

“For my weakness becomes a portal to God’s power” (2 Cor. 12:10b, TPT).
