

# How to Grow in Faith and Courage in the Workplace

For the 300th episode of the *Coach & Joe* show, J. Michael Manley joins host Chad Norris in the *Coach & Joe* living room to talk about why men and women in the marketplace often see spirituality differently than Jesus did and what they can do to grow in faith, courage and the supernatural in the workplace.

Also, if you are interested in getting discipled hands-on for a year by the *Coach & Joe* team, check out for our training school and learn how to walk in genuine friendship with God!
