

How to Open the Courts of Heaven and Silence the Voice of Your Accuser

Jenny Weaver was raised in a church-going family, but outside of church, her family life was abusive. By the time she was 17, Jenny was homeless, on drugs, practicing witchcraft and far from the Lord. About nine and a half years later—pregnant and homeless—God got a hold of her, and her life changed. “When you need help, call on the name of Jesus.” Prodigals come home. No one is too far gone for the love and restoration power of Jesus Christ. Jenny’s book, *The Sound of Freedom*, is full of special prayers and declarations that underline the truth that God can create a new beginning for you.

Come into the courts of heaven, and see God render a decision that will allow for a breakthrough for you and your family. Break generational curses, overcome hinderances, declare supernatural reversals and see miraculous turnarounds.
