

How to Prepare for the Coming Revelation Chaos

When John Shorey first visited *The Jim Bakker Show* in 2012, he wanted to prepare the Bakkers and the show's viewers for the Revelation chaos expected to come.

Five years later, Shorey acknowledges the United States has been granted a reprieve. But this moment of mercy will not last forever.

"With what's happening right now, this is insane," Shorey says. "We didn't have this insanity happening in 2012. I wrote down a list of a couple of things that are happening now, and yet people are not preparing now."
