

How to Raise Your Kids 'In the Way They Should Go'

God is passionate about family, and He has a divine purpose to fulfill through marriage and family. No wonder the enemy has worked tirelessly to divide and destroy marriages in church.

It's heartbreaking to hear the divorce rate in the church is practically the same as the divorce rate in the world. As believers, God bonds our marriages together. What God has brought together, let no man separate. But unfortunately, the enemy is finding an inroad and wreaking havoc on families.

More churches around the world need to stress the vitality of marriage and raising kids in the Lord. Children's ministry can't just be a side note or another ministry the church engages in—it has to be a major focus and of utmost importance. If marriages are healthy and kids are being raised up to know Jesus and walk with Him, the church as a whole will be stronger and more powerful than ever.

On the latest episode of *Awaken Podcast*, I speak with Seth Dahl, who has given His life to strengthen marriages and families. He believes in raising up children who are empowered to love God, hear from Him and move in God's Spirit. He has a strong conviction about raising up kids in the way they should go and how that starts in the home.

Amazing revelations were released on this episode, and you'll definitely benefit from hearing Dahl's stories, my stories and the truths we share. {eo}
