

How to Respond to God's Judgment

For each of the nine days of our *Mayday! Mayday! Distress Call for Prayer*, I will provide a prayer that will help us stay focused so that we can pray with one accord. I will also share each day a video segment from the Joel 1 and Joel 2 messages that I gave at The Prophecy Seminar at The Cove in March of this year.

Today, in preparation for *Mayday! Mayday!* I wanted to share a small portion of Joel Rosenberg's concluding message at that same Prophecy Seminar. The morning after he and I had taught through the book of Joel, he gave a stirring message from Ezekiel 33 that emphasized the weight of responsibility we bear to respond to the Truth as it matches up with the times in which we live.

Be blessed.
