

How Today's Headlines Foreshadow the Bible's Prophetic Events

Have recent headlines had you seriously considering we may be rapidly approaching the end of days? If so, you're not alone.

"I noticed that a majority of the articles and a majority of the news [stories] that were circulating over the last 24-48 hours just really hones in on this particular subject," *End Time Headlines* founder Ricky Scaparo says.

The signs are literally right under our noses. Watch the video to see what they are.
