

How You Can Find True Freedom Through the Holy Spirit

Apostle, author and popular speaker Dr. Gina Prince knows what it's like to go through life without the true freedom of walking with the Holy Spirit. On this episode of Prophetic Spiritual Warfare, prophet and deliverance minister Kathy DeGraw speaks with Prince about how she was set free by the Spirit and now walks with Him daily.

Dr. Prince, who also hosts *The Keys Against the Enemy* podcast on the Charisma Podcast Network, says when she first was introduced to the Father after a long time of ignoring His presence in her life, she felt like she had to be harder on herself, "So I [could] hold myself accountable because I didn't want to go backwards."

She encourages others, "For us to get to our destination, for us to walk in destiny, for us to fulfill the assignment, we have to trust in God. And that calls for faith. You have to ask Him for what you do not have. If you don't have faith, you need to ask for faith. It's not about the knowing. It's about having faith."

Dr. Prince shares a beautiful revelation the Lord gave her when she was learning about fully trusting in Him. "We don't have to know the in-between and the end and the beginning. All we got to know is that Jesus is real. And that the blood is powerful, and that He gave us the greatest gift in the whole world, and that's the Holy Spirit."

From the struggle of understanding what it means to accept the free gift of grace that God offers, Prince now encourages others to believe what the Lord revealed to her years ago. She says, "God said that He has called you by name, and it is time to find yourself in a sonship and not as an outsider; you are

a royal priest. You are part of a kingdom.”
